

SURVEYOR'S REPORT:
 The purpose of this survey is to show the location of a proposed nature trail to be built and maintained by the Town of Washington. This is not a boundary survey and property lines are apparent.
 Stream and river locations are taken from an aerial photograph provided by Google Earth Pro and are not exact.
 Contours are based on MEGIS data shown at a 2-foot contour interval.
 All directions are Maine State Coordinate System of 1983 (2011), Maine East Zone derived from RTK GPS Observations. All elevations are NAVD 1988 derived from RTK GPS Observations.
